PROPERTY DESCRIPTION

Ideal home for the Maryland commuter. This charming home has lots of character. One of the first things you notice when you enter the home is the beautiful pegged oak wood flooring. It is present in the living room, dining room, and 2 of the bedrooms. The living room has a wood burning fireplace with brick surround and a ceiling fan. You will fall in love with the updated kitchen featuring Corian counters, ceramic tile floor and back splash, ceiling fan, cherry cabinets and all appliances. Entertain in your dining area or have your guests enjoy the 16x12 deck overlooking a shaded, level, fenced .27 ac lot. You will really enjoy this yard in all of the seasons, but especially in the summer! There is even a shed for those outside "toys". All bedrooms have a ceiling fan. The master bedroom features wall to wall carpet and a full bath. The lower level could be a game room and it already has cable and phone access.
