PROPERTY DESCRIPTION

A unique floor plan for this 3 bedroom Cape Cod in West York School District. The kitchen comes with all appliances included and a breakfast bar, for those "hurry out the door" meals. There is a formal dining room which opens up to a large three season room....great for family and friends. You will spend lots of hours spent out here. There are 2 bedrooms on the main level of the home and a full bath. You may decide to have your bedroom upstairs. There is a nice size bedroom plus a study(or dressing room)...and half bath....use your own imagination. Have you found this home has a lot more room in it, than it appears to have from the front view? Everyone does. There is more rooms in the basement level...and they are heated. There is an office and a "hobby" room. Again...you can decide what your needs are. It is always better to have more room than not enough. A two car detached garage completes the home...mature landscaping...minutes from Rte 30 & I83, shops, restaurants, fire & police depts. A Great Home for a Great Price!
