PROPERTY DESCRIPTION

Enjoy the beautiful countryside of York County as you drive to your new home. Pull up and imagine sitting on your covered porch in an adirondeck chair enjoying the fall colors. Walk in and feel at home. The kitchen (17x11) invites you to bake cookies, have a football party, or create a new yearly event by having Thanksgiving or Christmas dinner for family and friends. There is a center island, all appliances, lots of counter space, and a dining area, as well as wood flooring and a ceiling fan. It opens to a first floor family room (14.9x12), so everyone feels a part of the gathering. For those special events, enjoy the formal living room (14.10x11.10) and dining room (11x10.3). This home was built to enjoy. The lower level is a real treat. There is a game room (29.6x12.2) as well as a media area (13.4x12.2). You will be able to use your imagination and make this room your own! Need 4 bedrooms? This home has it. The master suite (17x11) has phone & cable, blinds & drapes, full bath, ceiling fan, walk in closet, and wall to wall carpets. The other bedrooms (13.8x12.5) (13.3x11.8) (11.10x9.4) all have wall to wall carpet, phone & cable, and the blinds. Not only will you love your interior, but the exterior features include stone and vinyl, a brick patio for outside dinners while overlooking .24acre lot.
