## PROPERTY DESCRIPTION

Looking to move right in to your new home? Have a deadline to be located by yesterday? Look no further. This 3 bedroom 1.5 bath home is waiting just for you. It has been freshly painted with a neutral color throughout. The living room (14x12) has a new laminate floor, curtains, and a cable hookup. The oversized kitchen (17x11) features all new stainless steel appliances which remain, and new vinyl flooring. The half bath/ 1st floor laundry combo includes washer & dryer-appro 3 yrs old. Step outside on this level to a two tier deck. The top tier is 10x8 with steps down to lower level patio which measures 13x10-the porch swing stays, too. Two bedrooms (16x12) & (12x10) can be found on the second floor. They both contain ceiling fans, new wall to wall carpet & nice size closets. The third floor has a really large (17x12) room which can be used as a bedroom, a study, or even a get away den. New carpet, ceiling fan, and bright window make this a really enjoyable treasure. Not to be outdone, the lower level will be the biggest surprise. It measures 21x16 with a walkout to the above mentioned patio. It features a corner gas log fireplace with ceramic surround, as well as a dry bar, for those parties you are bound to enjoy. It is close to I83 and Rte 30, so is a great location for commuters to Harrisburg or Baltimore.
