## PROPERTY DESCRIPTION

*Looking for a home that looks like it is brand new? Looking for quick possession? This is a home that fits your needs. Charming front porch is a good place to relax at the end of the day. When you enter the home, you immediately notice the open floor plan. It is a great place for gatherings of family and friends. The kitchen comes with all of the appliances and a 9x5 bumpout breakfast area. First floor family room with a gas fire place will be a place of warmth in the winter.....In the summer, step out onto your 25x14 deck where the views, both day and night are beautiful. There are four bedrooms...the master suite is delightful with cathedral ceiling and drop fan, walk-in closet, jacuzzi bath as well as his and her sinks. One of the bedrooms is currently set up as an office. It is a great idea if you do not have the need for four. Still want more space? Wait until you see the huge (31x26.6) rec room in the daylight lower level. There is a two car garage as well as off street parking and there is a radon mitigation system on place.
