PROPERTY DESCRIPTION

NEW PRICE! \$175,700

Did you ever feel like experiencing small town living, but still be close to all amenities? This 3 bedroom 2 full bath home sits at the end of Main St, minutes from Sam Lewis State Park...which is delightful to walk a dog, have a picnic, walk for exercise, or just enjoy an incredible view. You are minutes from Wrightsville to the East and minutes from East York to the West. You will enjoy the open floor plan. Living room has a cathedral ceiling and flows to a dining area and large kitchen. The pearl in this home is the newly added family room and first floor laundry. The doors from the family room open to a very nice sized patio overlooking part of your .72 ac lot. You will enjoy many gatherings with family and friends, both inside and outside! There is even more home on the lower level. Any one in your family like to "tinker"? Do we have a workshop for you? It is the same size as the upstairs family room and you can paint, create and enjoy! There is also a den which you can use as an office-it is already phone & cable ready. The 2 car garage is oversized and affords a place for storage. AHS warranty is nego.
